eBooks at the Avatar Meher Baba Trust Web Site

The Avatar Meher Baba Trust's eBooks aspire to be textually exact though non-facsimile reproductions of published books, journals and articles. With the consent of the copyright holders, these online editions are being made available through the Avatar Meher Baba Trust's web site, for the research needs of Meher Baba's lovers and the general public around the world.

Again, the eBooks reproduce the text, though not the exact visual likeness, of the original publications. They have been created through a process of scanning the original pages, running these scans through optical character recognition (OCR) software, reflowing the new text, and proofreading it. Except in rare cases where we specify otherwise, the texts that you will find here correspond, page for page, with those of the original publications: in other words, page citations reliably correspond to those of the source books. But in other respects—such as lineation and font—the page designs differ. Our purpose is to provide digital texts that are more readily downloadable and searchable than photo facsimile images of the originals would have been. Moreover, they are often much more readable, especially in the case of older books, whose discoloration and deteriorated condition often makes them partly illegible. Since all this work of scanning and reflowing and proofreading has been accomplished by a team of volunteers, it is always possible that errors have crept into these online editions. If you find any of these, please let us know, by emailing us at frank@ambppct.org.

The aim of the Trust's online library is to reproduce the original texts faithfully. In certain cases, however—and this applies especially to some of the older books that were never republished in updated versions—we have corrected certain small errors of a typographic order. When this has been done, all of these corrections are listed in the "Register of Editorial Alterations" that appears at the end of the digital book. If you want the original text in its exact original form, warts and all, you can reconstruct this with the aid of the "register."

The Trust's Online Library remains very much a work in progress. With your help and input, it will increase in scope and improve in elegance and accuracy as the years go by. In the meantime, we hope it will serve the needs of those seeking to deepen and broaden their own familiarity with Avatar Meher Baba's life and message and to disseminate this good news throughout the world.

Who am I?

by Jim Auster

Who am I? is inspired and based on the book God Speaks by Avatar Meher Baba ,

before the beginning
before the World
and the Universe.....

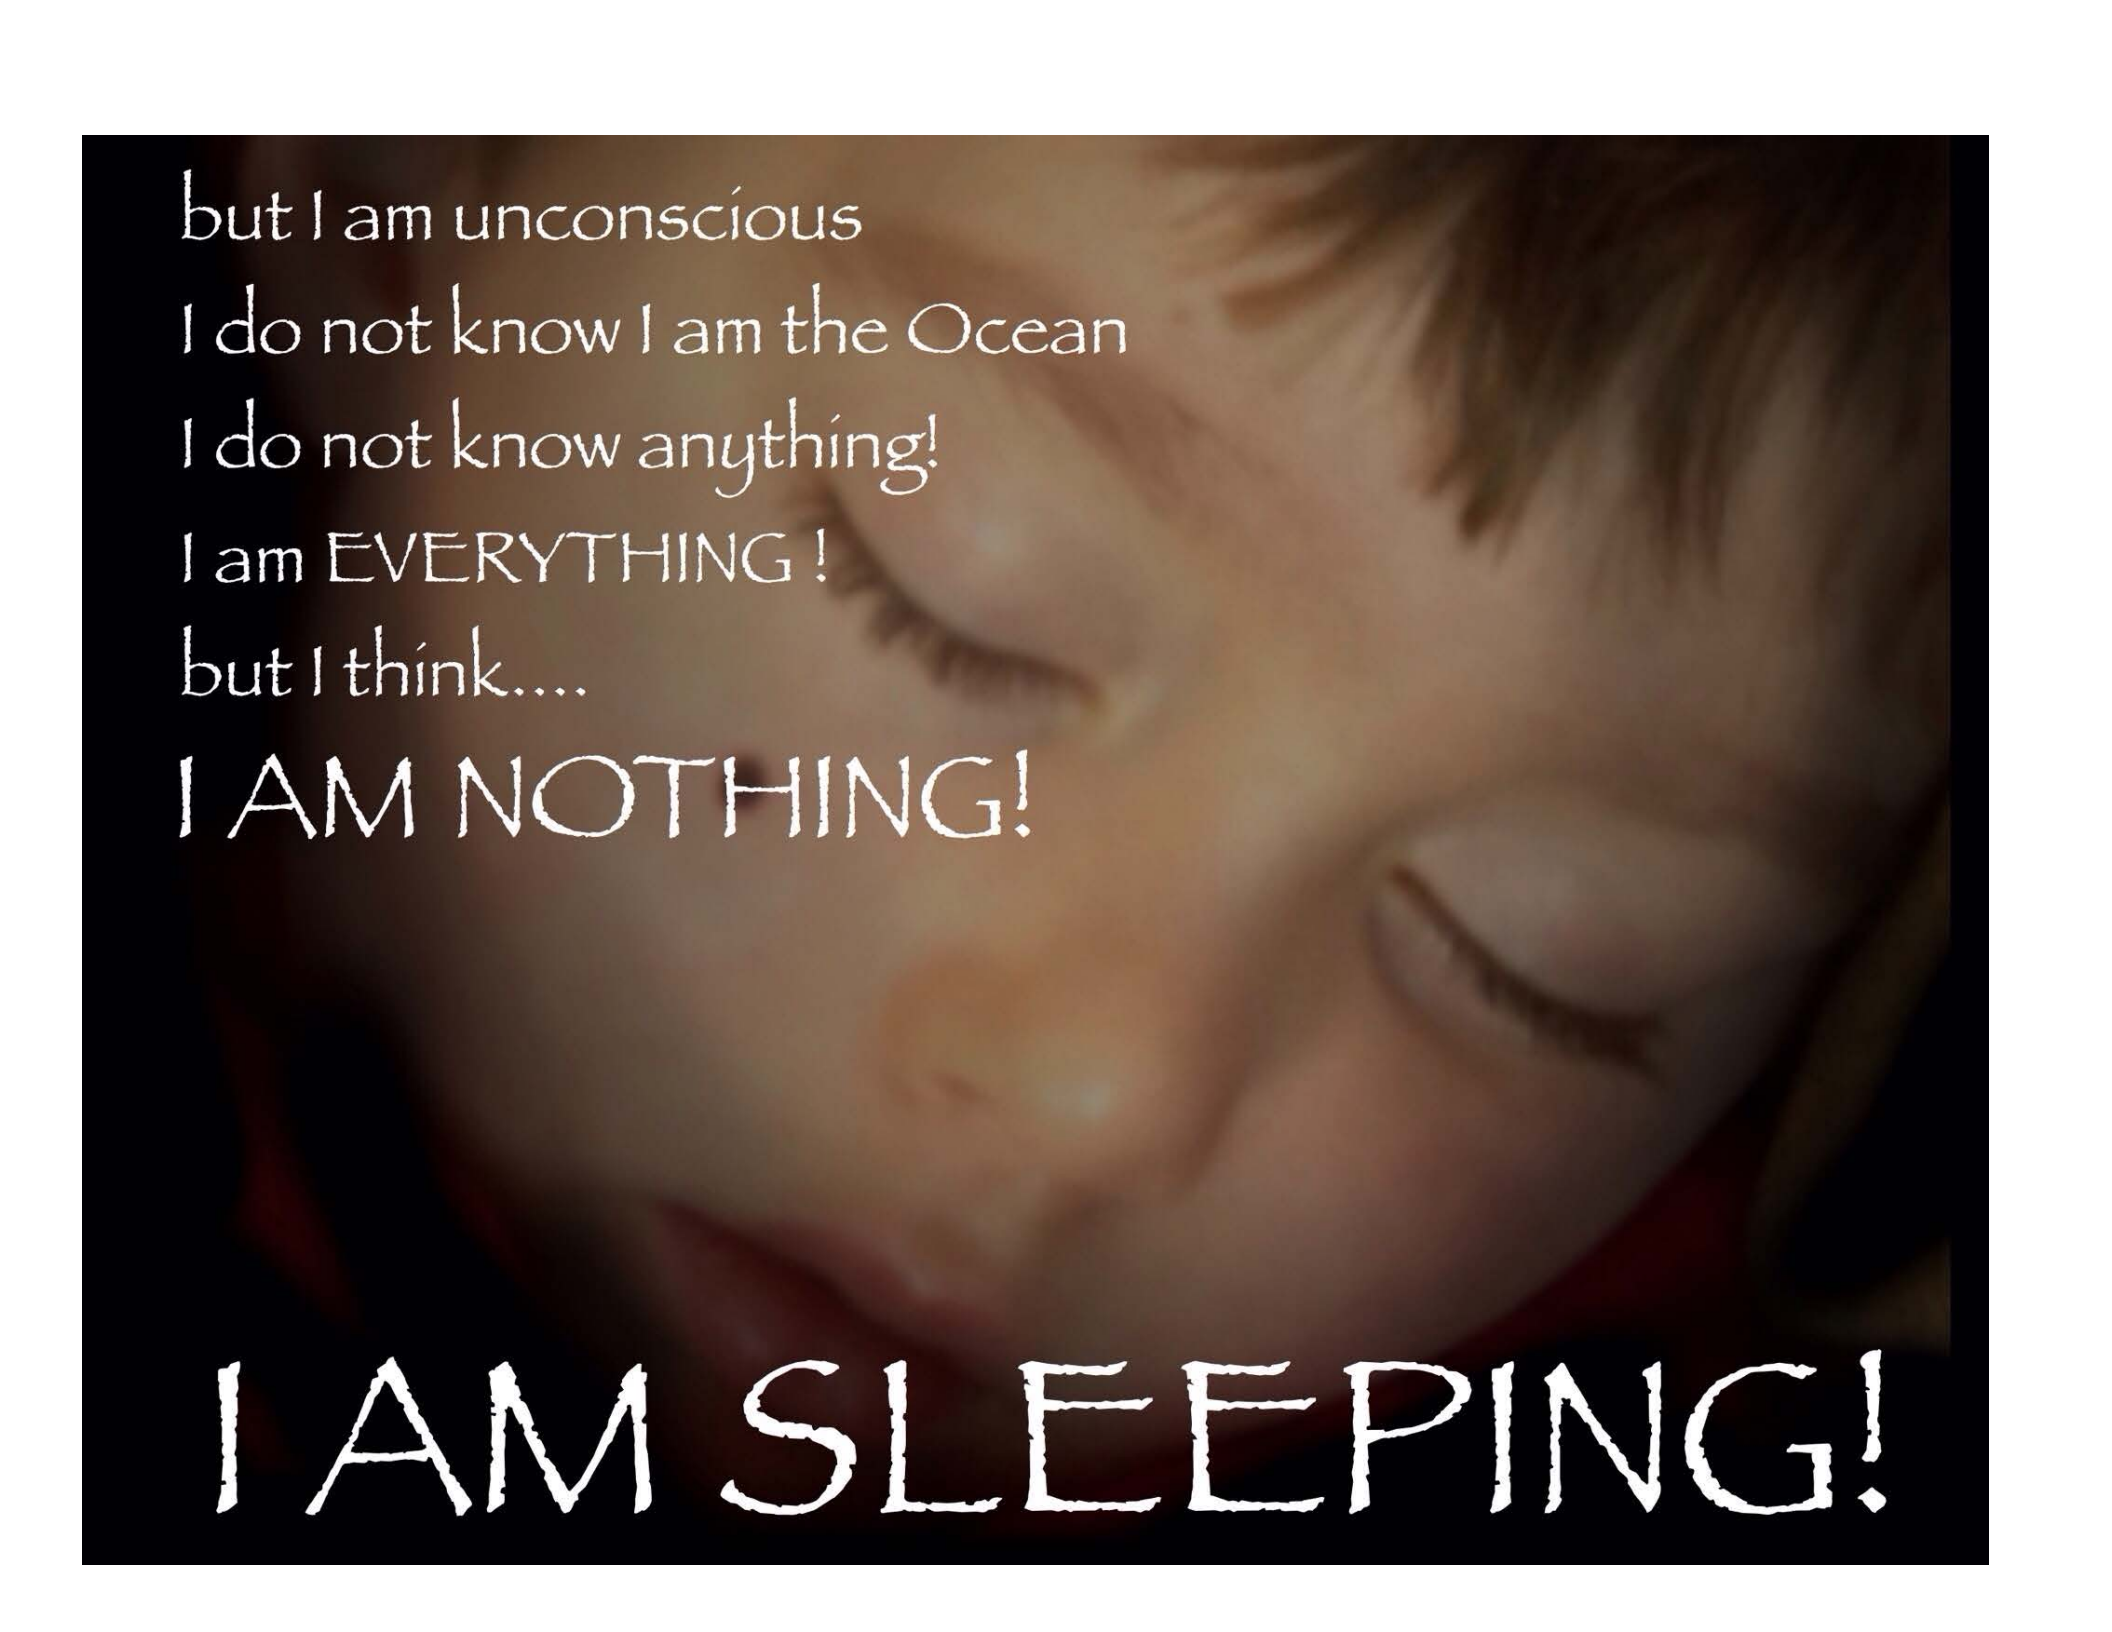

I AM !

A young girl with dark hair and a pink flower in her hair is smiling and looking towards the camera. She is wearing a pink top. The background is a blue ocean with white foam from waves. The sky is blue with some white clouds.

I am an endless Ocean
an Ocean of Bliss
an Ocean of Knowledge
an Ocean of Power
an Ocean of Love
an Ocean of Oneness

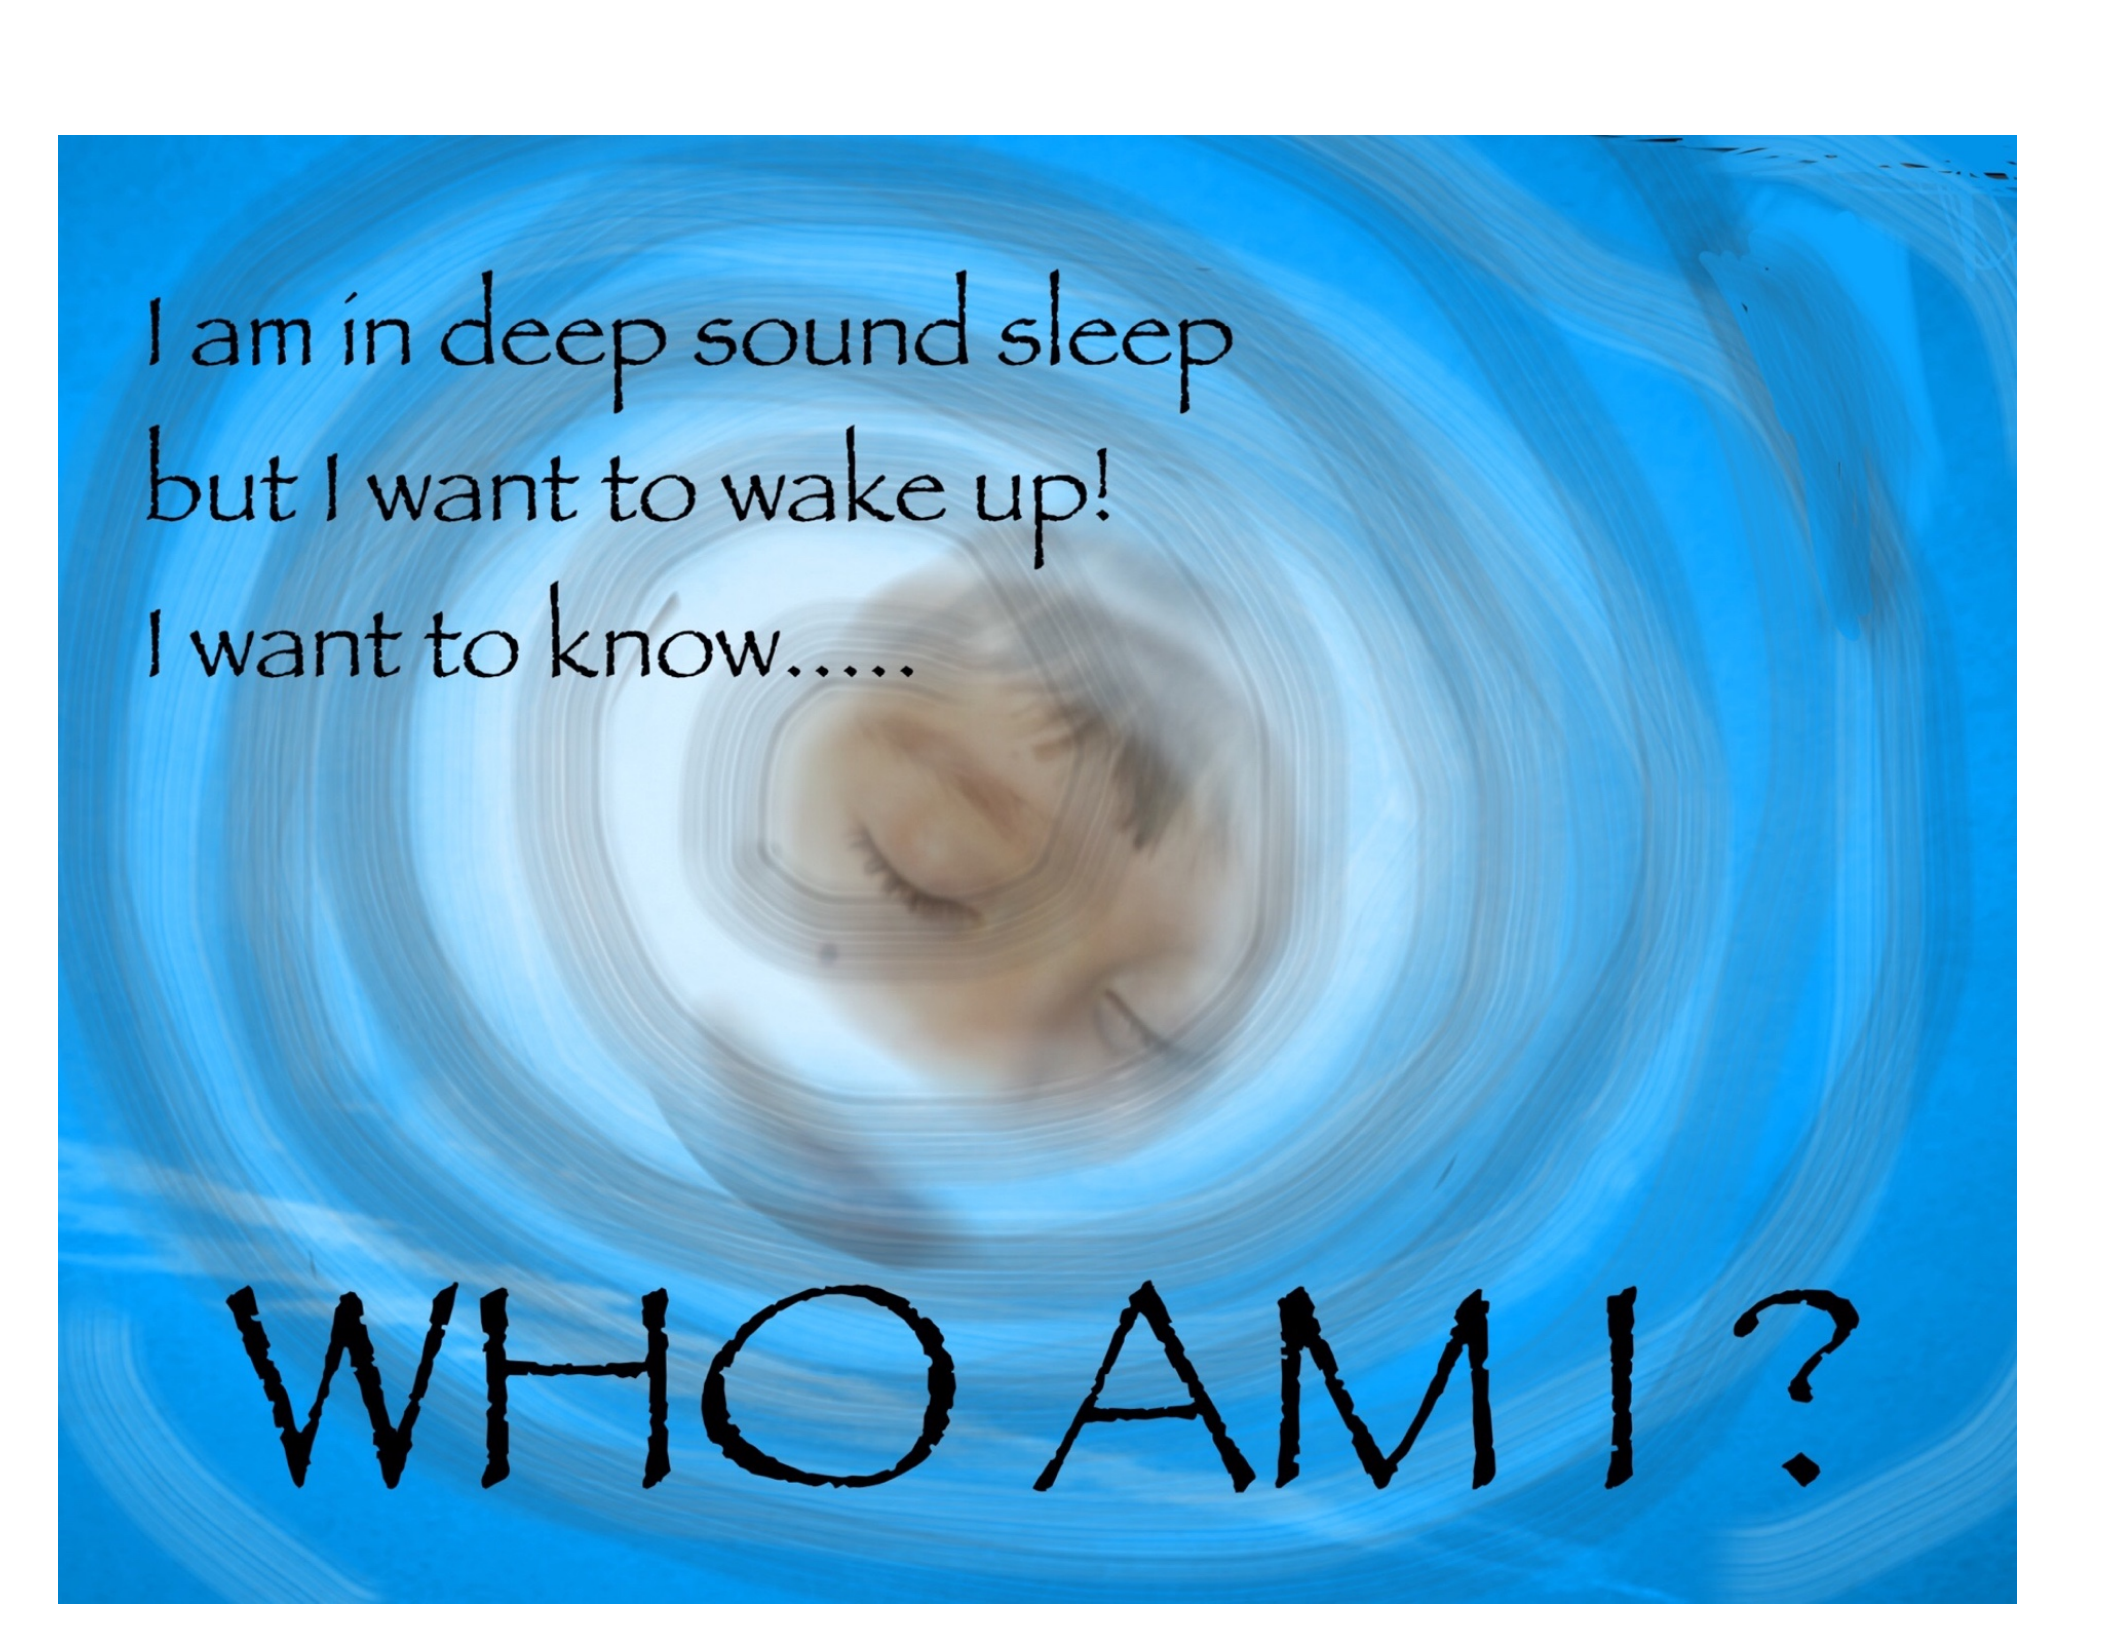

I am Everything!

but I am unconscious
I do not know I am the Ocean
I do not know anything!
I am EVERYTHING !
but I think....

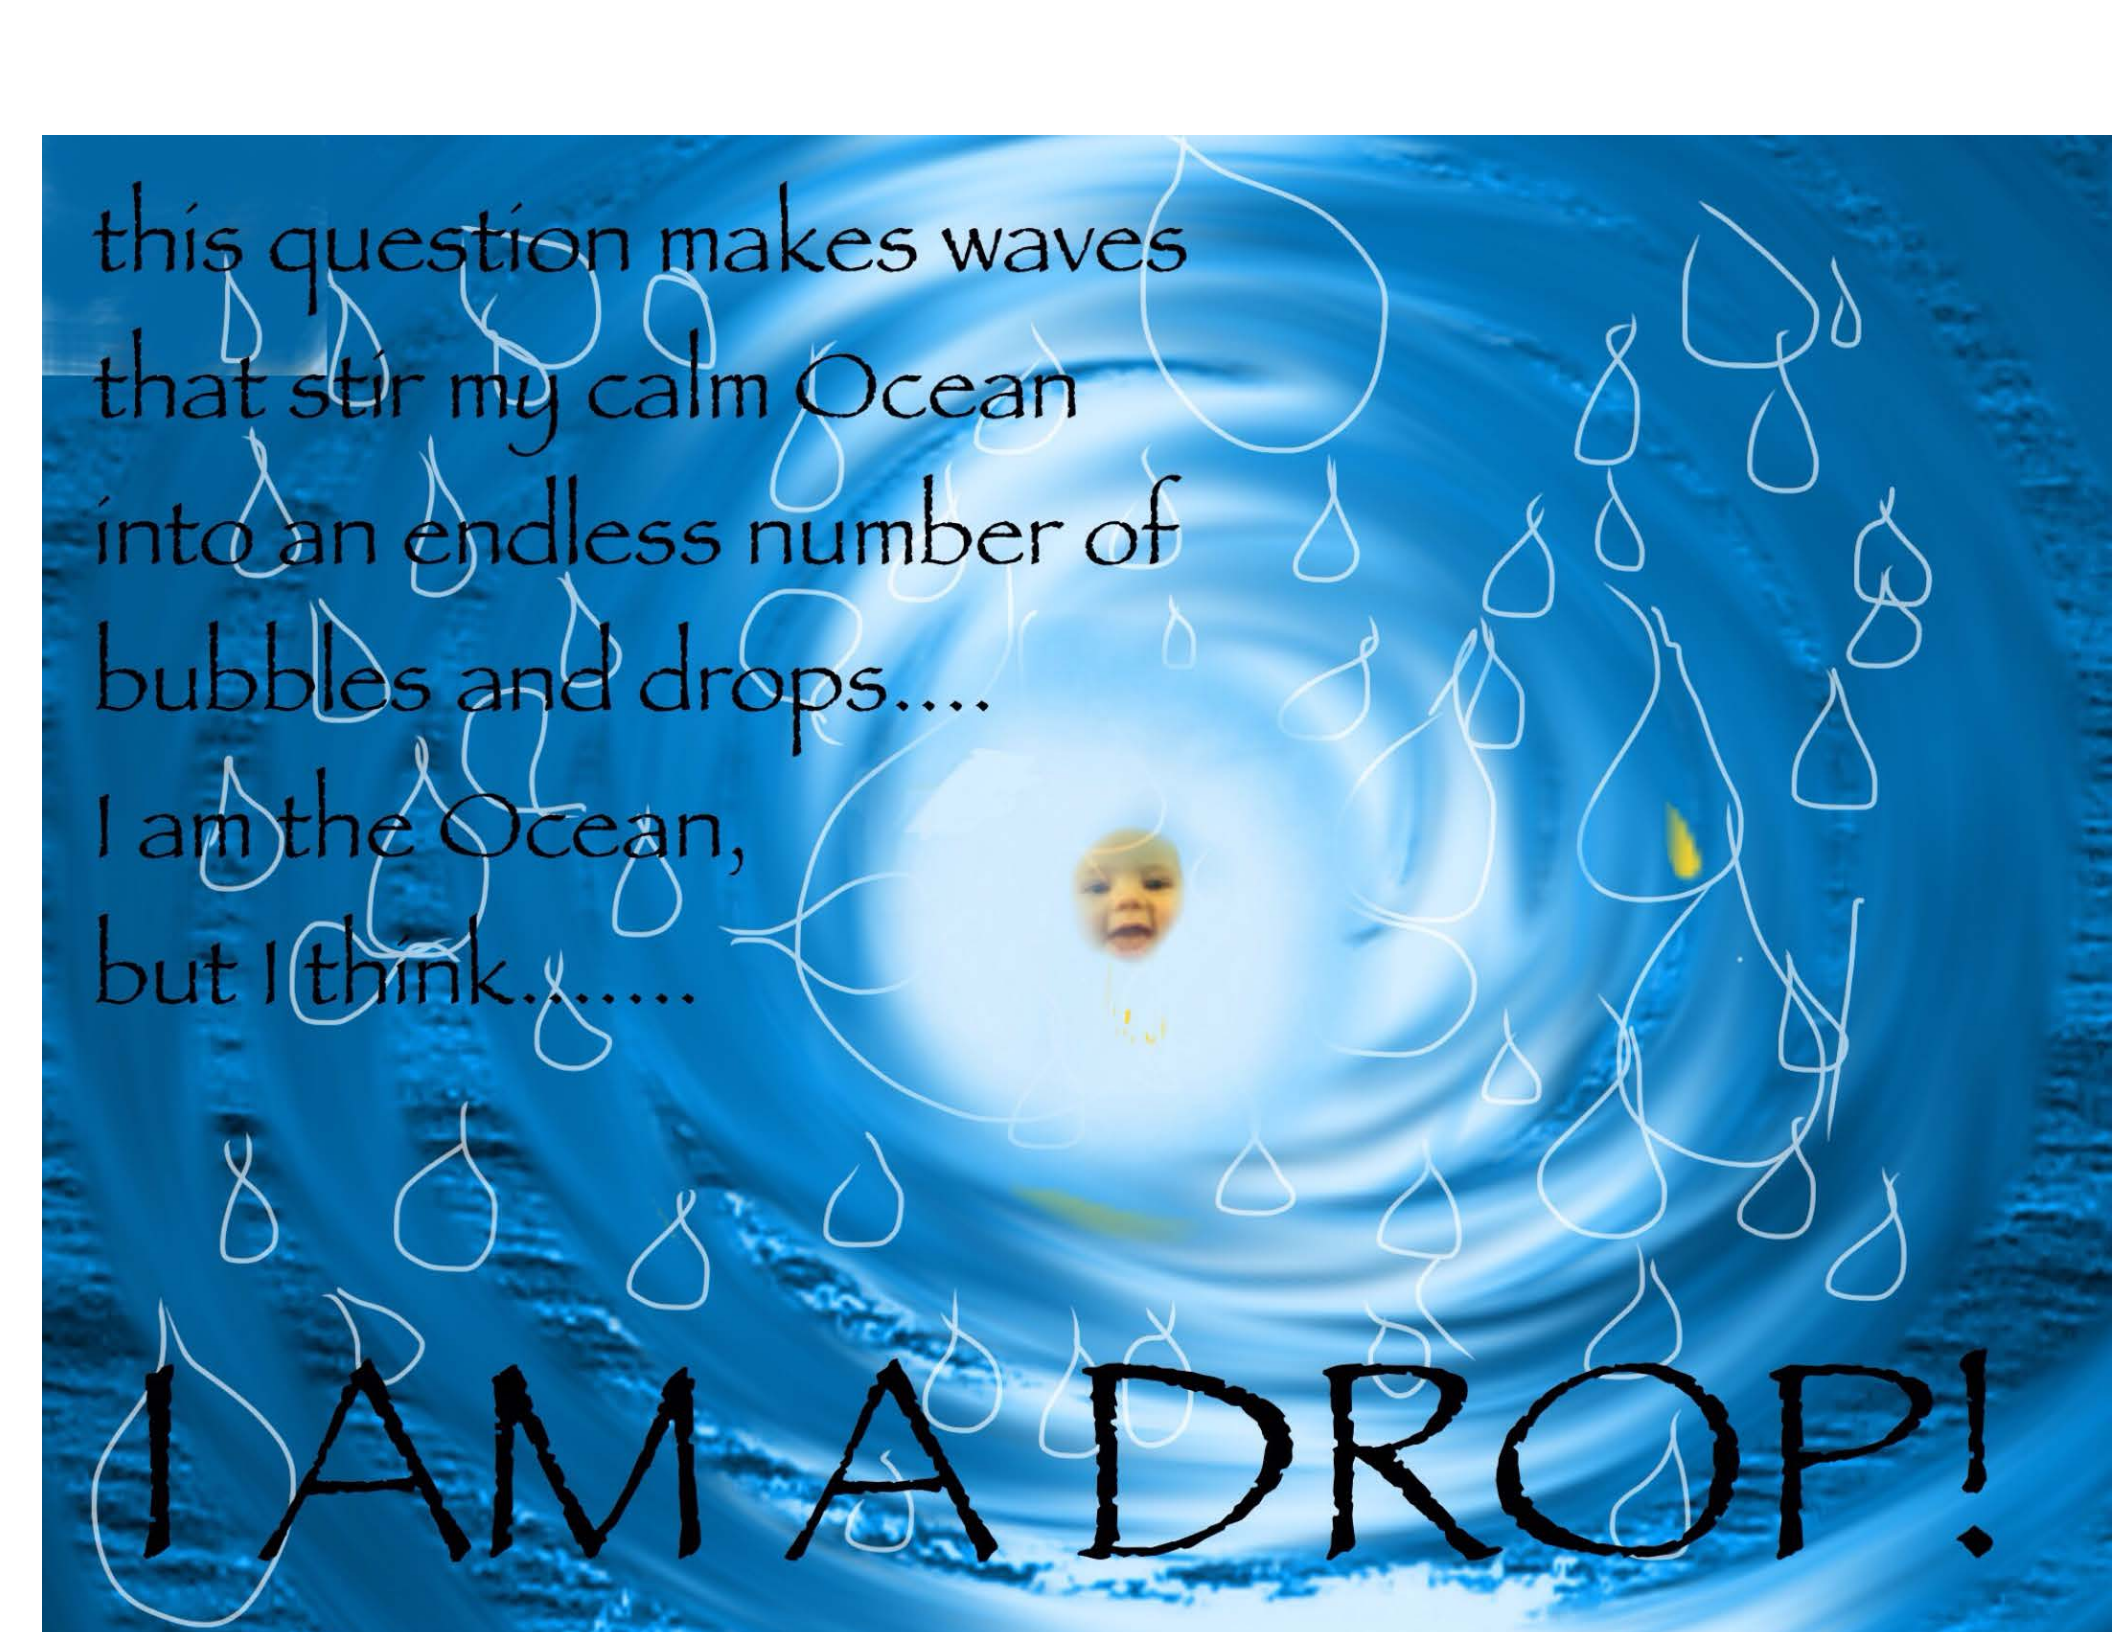

I AM NOTHING!

I AM SLEEPING!

The background of the entire image is a vibrant blue with a swirling, vortex-like pattern. In the center of this pattern is a faint, circular inset showing a close-up of a person's face, eyes closed, appearing to be in a deep sleep.

I am in deep sound sleep
but I want to wake up!
I want to know.....

WHO AM I ?

this question makes waves
that stir my calm Ocean
into an endless number of
bubbles and drops....

I am the Ocean,
but I think.....

I AM A DROP!

the Ocean in every Drop asks.....

who am I?

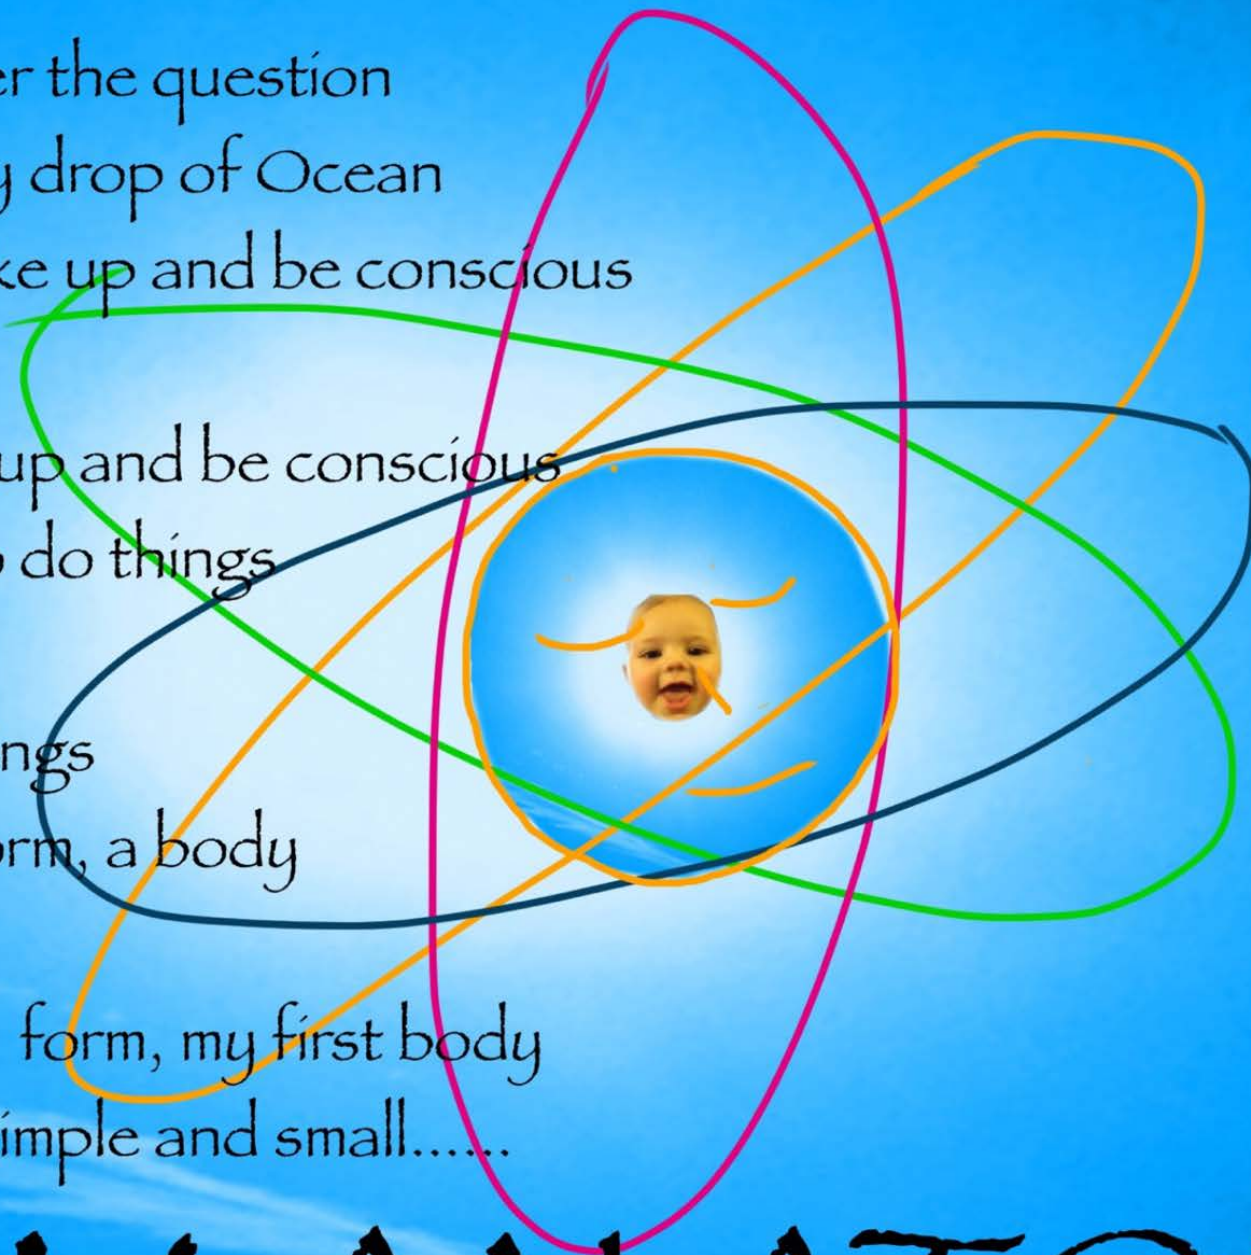

to answer the question
each tiny drop of Ocean
must wake up and be conscious

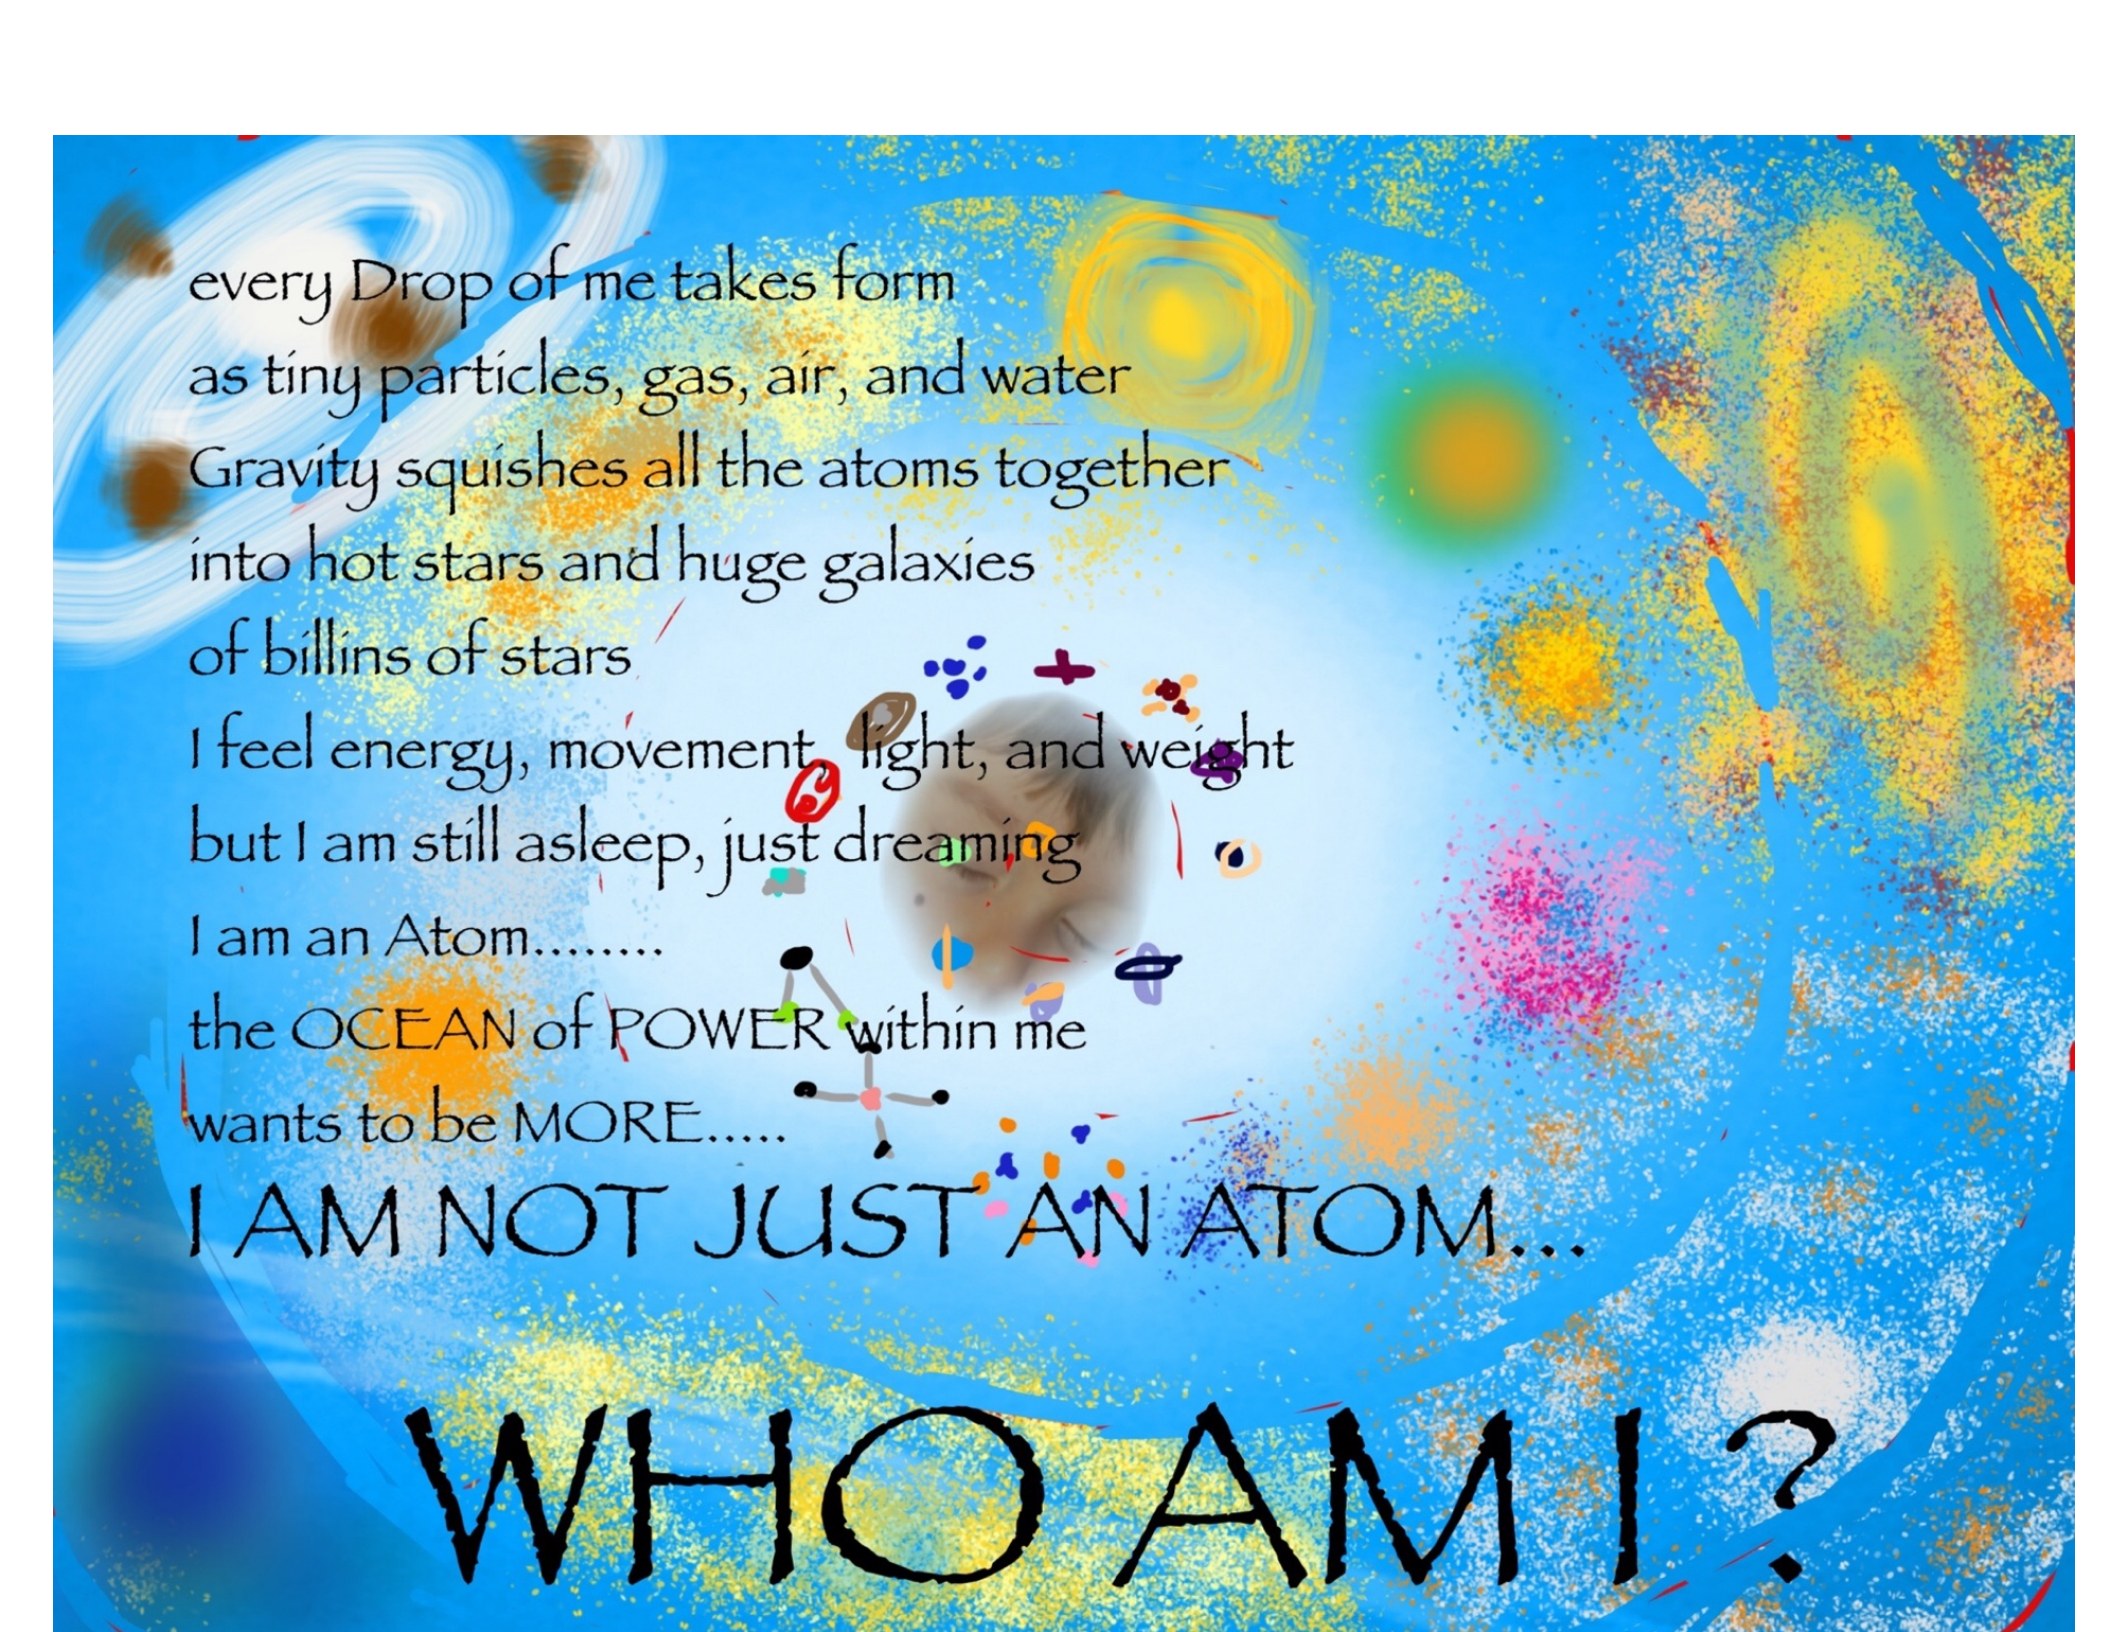

to wake up and be conscious
I need to do things

to do things
I need form, a body

My first form, my first body
is most simple and small.....

I AM AN ATOM!

every Drop of me takes form
as tiny particles, gas, air, and water
Gravity squishes all the atoms together
into hot stars and huge galaxies
of billions of stars

I feel energy, movement, light, and weight
but I am still asleep, just dreaming

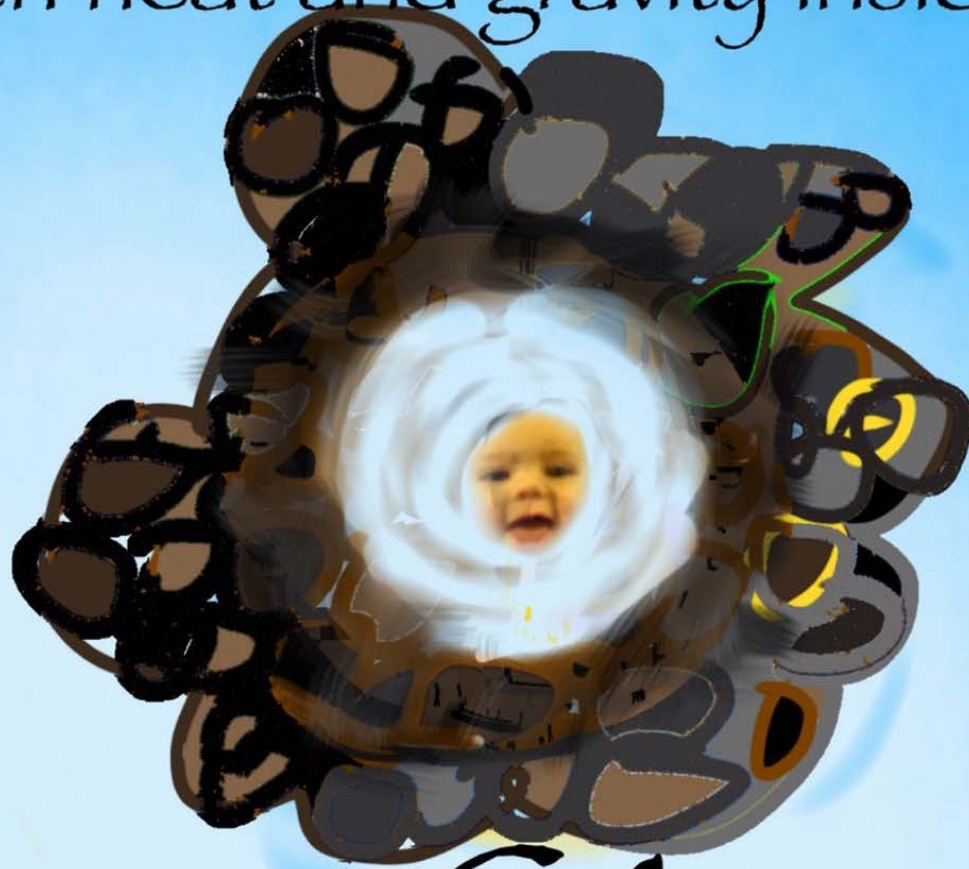

I am an Atom.....

the OCEAN of POWER within me
wants to be MORE.....

I AM NOT JUST AN ATOM...

WHO AM I?

to answer my question I must do new things....
atoms of gas get squeezed and squished
by so much heat and gravity inside stars.....

I am Stone !

I take form as every kind of stone

I feel solid, heavy, hard, hot, and cold
and start to wake up

with a little more consciousness
but I must be more.....

I AM NOT JUST STONE.....

WHO AM I?

The image is a surrealist composition. It features a large, abstract sculpture made of a material that looks like weathered metal or stone, with a mottled brown and grey texture. The sculpture is twisted and contorted, forming a complex shape. In the center of the sculpture, there is a hollowed-out section that reveals a baby's face. The baby has a yellowish complexion and is wearing a white garment. The background is a clear, bright blue sky. The overall mood is one of transformation and self-discovery.

to learn more about myself I take a new form..

I am Metal!

one after another I am every kind of metal..

I have many new experiences and wake up a little
more as all different metals
But I must be MORE!

I AM NOT JUST METAL!

WHO AM I?

I want to be alive!

I AM A PLANT!

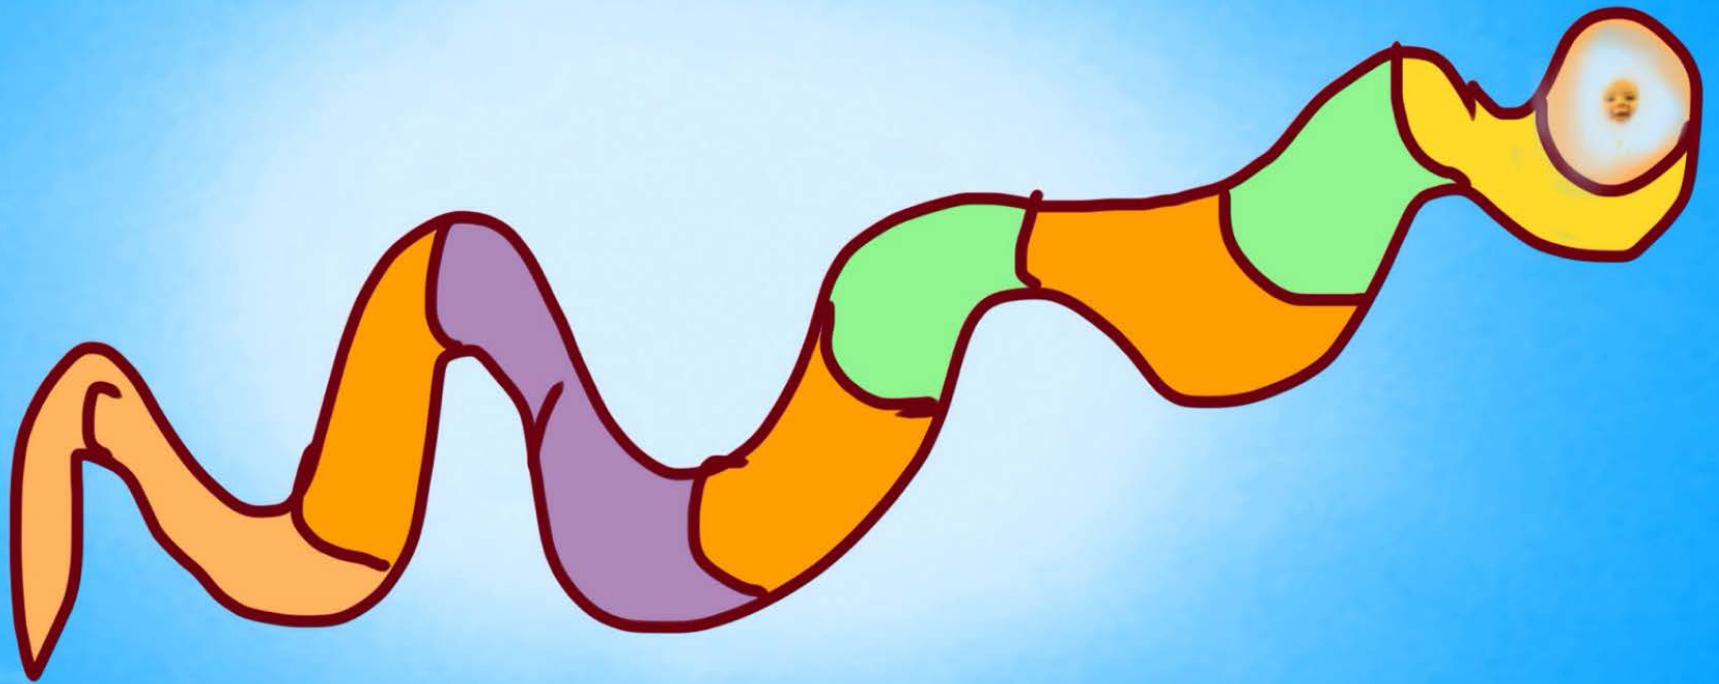

one after another I live and die as every species of plant

I learn so many new things and I love being a plant,
but the Ocean of Love within me makes me feel I am more.....
I AM NOT JUST A PLANT !

WHO AM I ?

I could not move around as a plant,
I want to do more.....

I AM A WORM!

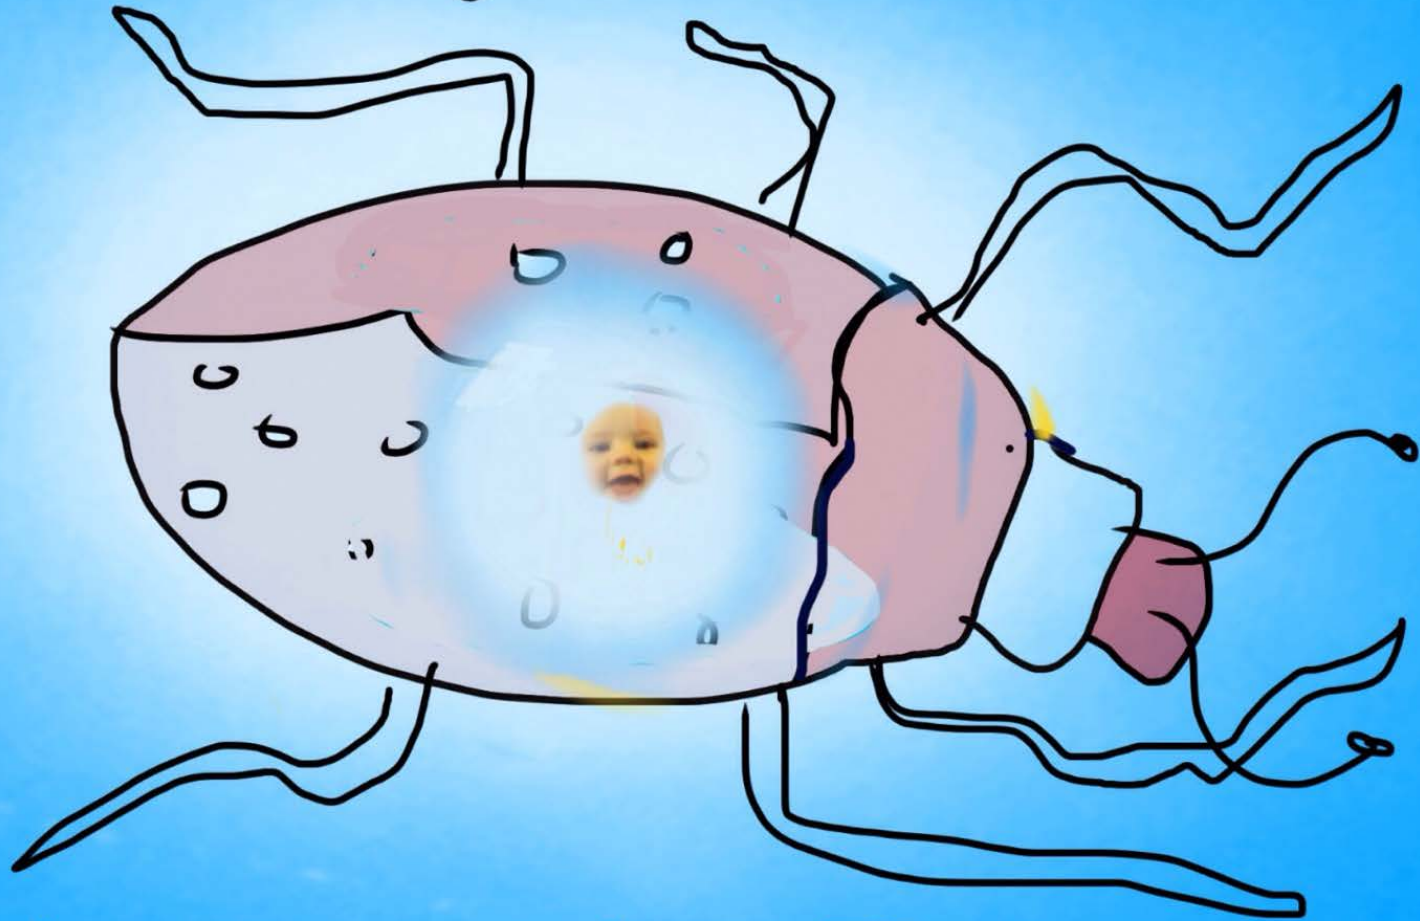

one after another I am every shape, color, size, and species of worm

I love learning new things wiggling and digging to find food,
but the OCEAN within me wants to know more,.....
I AM NOT JUST A WORM!

WHO AM I?

to learn more about myself I next become
every kind of insect

I AM A BUG!

one after another I live and die
as every shape, size, and species of insect

I can fly, I can bite, sting, and eat new things,
but I don't like to be eaten

I AM NOT JUST A BUG.....

WHO AM I?

I want to be bigger and faster than a bug.....

I AM A FISH!

as every kind of fish I love
to swim, eat, and discover so many new things

I think I am a Fish but I am really the OCEAN.....
I AM NOT JUST A FISH.....

WHO AM I?

after being every kind of fish
I want to do and learn more and more.....
on dry land and out of the ocean

I AM A REPTILE!

as every kind of reptile I learn many new things

I AM NOT JUST A REPTILE.....

WHO AM I?

as a reptile I am stuck on the ground....
I want to fly!

I AM A BIRD !

as every kind of bird I have so much fun

I love to fly, make nests, and to do so many new things
but the Ocean of love inside me wants more...

I AM NOT JUST A BIRD!

WHO AM I?

I love living and learning more about myself.....

I AM AN ANIMAL!

one after another I am born live and die as every species of animal

the more I do and learn
the more I want to be...

I AM NOT JUST AN ANIMAL!

WHO AM I?

after being every animal I want to
know more do more love more

I am a boy I am a girl
I am human being

after being every kind of stone, metal, plant,
worm, bug, reptile, fish, bird, and animal
I now have enough consciousness to be human
I am born, live, and die over and over as every kind of person

I am happy learning so many new things I can do but it is all a dream,
so many lifetimes come and go and are forgotten

I am still sleeping dreaming and searching to find...

THE OCEAN IN ME WANTS TO KNOW MORE.....

WHO AM I?

I want to find love and happiness that lasts and does not go away.
To do that I have to look inside myself, not outside in the world
that is always changing, sometimes good and sometimes bad.

I AM ENERGY!

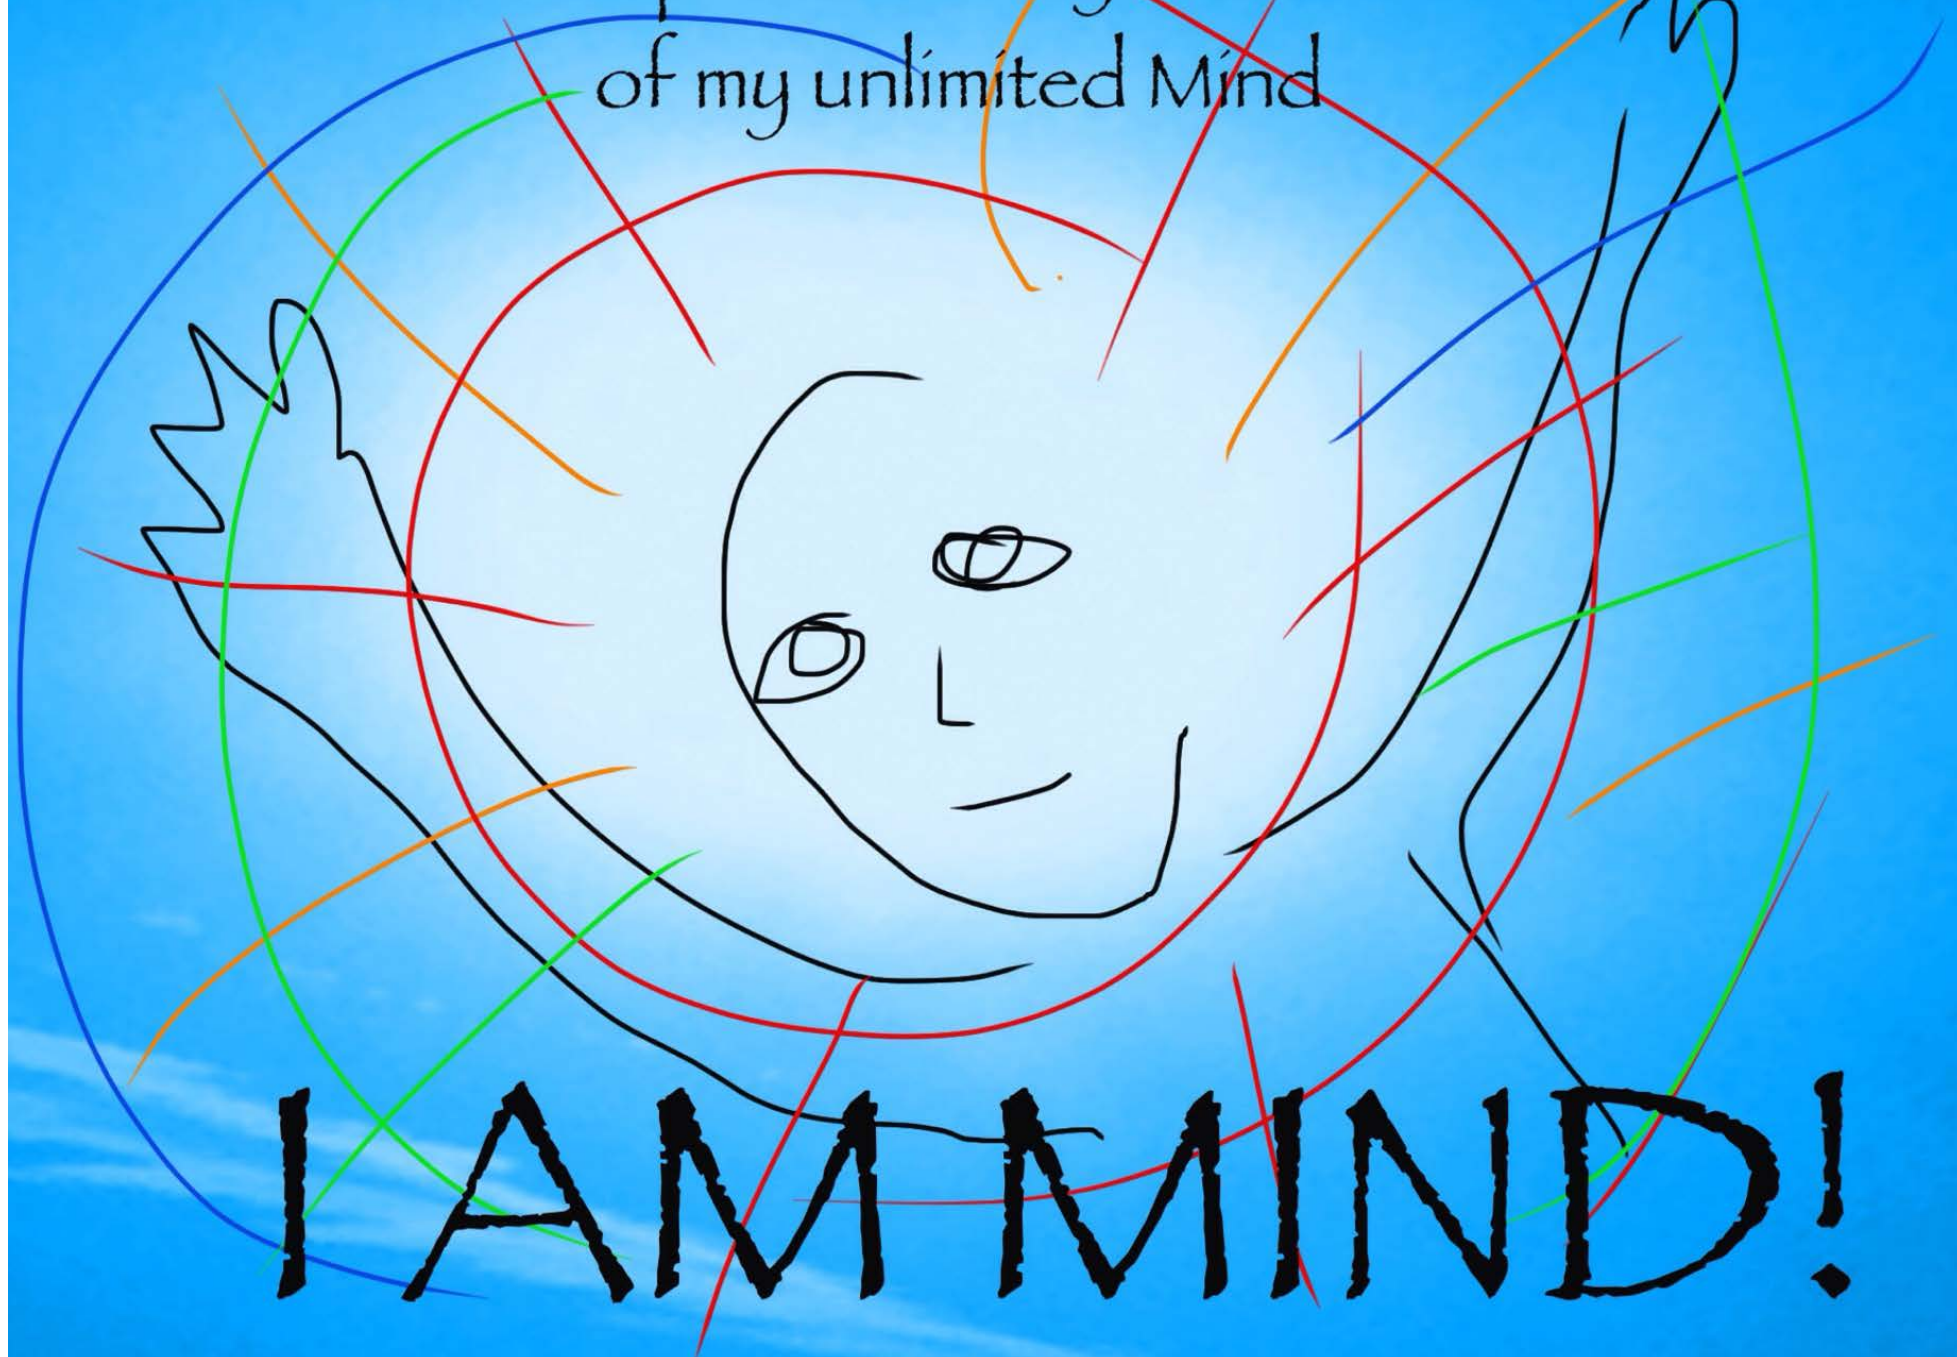

I see heavenly light and colors, I hear the most beautiful music
and smell smells like a garden of flowers inside myself.
I can imagine anything, be anywhere, and see anything without going anywhere
I have power to do real magic and to help people who
who are sick or need my special help

I am lost in this beautiful world of Energy
and must go deeper inside myself to find....

WHO AM I?

As I search deeper inside myself I become aware
of my unlimited Mind

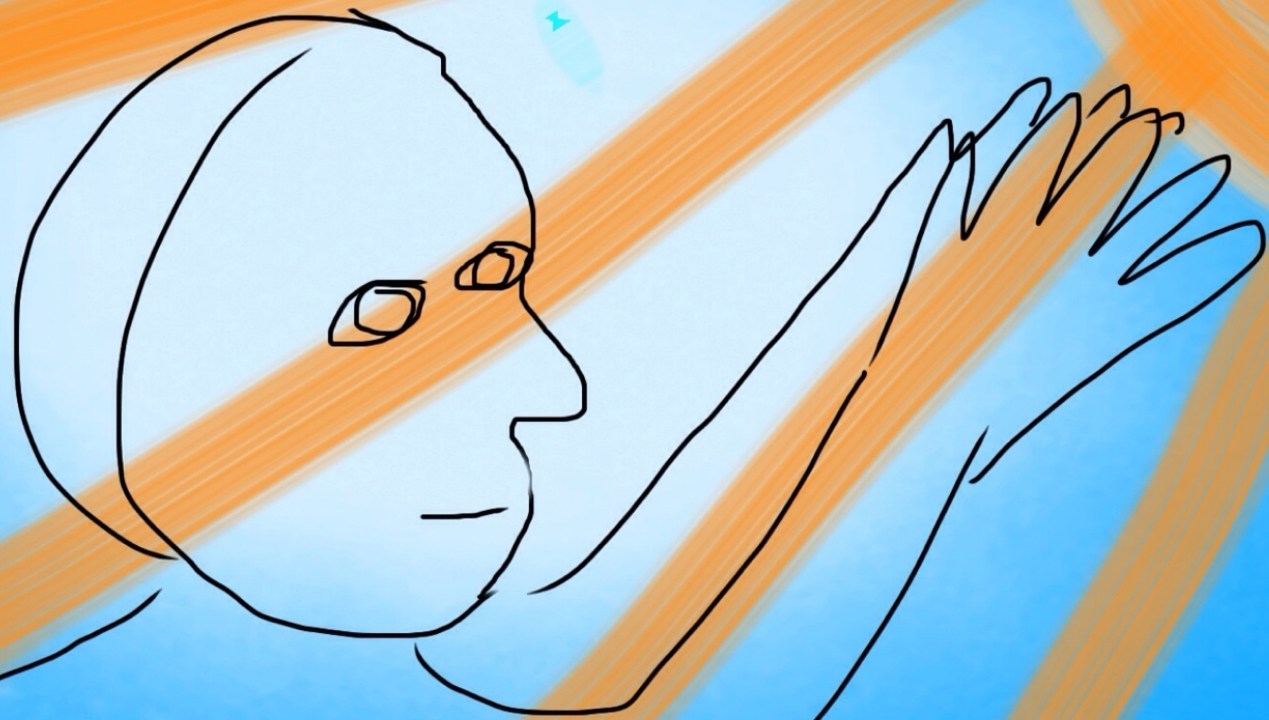

I AM MIND!

I know everything, I know the thoughts and feelings of everyone

I can see God everywhere

but I am still alone searching for Real Love...

WHO AM I?

I am man

I am fish

I am woman

I am one
with everything

I am bug

I am stone

I am metal

I am bird

I am lizard

I am atom

I am plant

I am everything!

I am animal

by Jim Auster

I AM AWAKE!

I AM EVERYTHING!

I KNOW EVERYTHING!

I LOVE AND HELP EVERY ONE!

I AM THE OCEAN OF POWER!

I AM THE OCEAN OF BLISS!

I AM THE OCEAN OF LOVE!

I KNOW WHO I AM !!

I AM GOD!

I am the creator preserver and protector of all, without beginning and without end,

I am non dual and none can measure me.

I am without color, without expression, without form, and without attributes.

I am unlimited and unfathomable, beyond imagination and conception, eternal and imperishable.

I am indivisible and none can see me but with eyes Divine.

I always was, I always am, and I always will be.

I am everywhere, I am in everything, and I am also beyond everywhere and beyond everything.

I am in endless space, in the depths of the ocean, and everywhere on and within the earth.

I am manifest and unmanifest, on all planes of consciousness and beyond all planes.

I am in the world, the energy world, and the mental world, and also beyond the three worlds.

I am imperceptible and independent.

I am the creator, the lord of lords, the knower of all minds and hearts.

I am omnipotent and omnipresent.

I am knowledge infinite, power infinite, and bliss infinite.

I am the ocean of knowledge, all knowing, infinitely knowing,

I am the knower of the past, the present and the future, and I am knowledge itself.

I am all merciful and eternally benevolent.

I am the soul of souls, the one with infinite attributes.

I am the trinity of truth, knowledge and bliss. I am the source of truth,

I AM THE OCEAN OF LOVE!

I AM GOD!
