The moment I break My silence and utter that Original Word, the first and last miracle of Baba in this life will be performed. It will be such a miracle as I never have performed. When I perform that miracle, I won't raise the dead; but I will make those who live for the world dead to the world and live in God.

My Word of words will touch the hearts of all mankind and spontaneously this divine touch will instil in man the feeling of oneness of all fellow beings. This feeling will supersede the tendency of separateness and rule over the hearts of all, driving away hatred, jealousy and greed that breed suffering, and happiness will reign.

I am, therefore, not interested in founding a new religion. The world is already divided by numberless sects, already divided by numberless sects, based upon dogmas and beliefs. I have not come to give another cage for man, but to impart to the world the illimitable Truth.
